

Invitation to Lead Auditor Training

Mediteq is proud to host an extensive and highly interactive Lead Auditor Training course for ISO 13485:2016 in Gothenburg in August 2019.

The course is IRCA certified and Philip Byrne from the IRCA approved training partner Irish Quality Centre (IQC) will be our trainer during the five days. Philip has been a QMS auditor for over 25 years and delivering internal and lead auditor training since 2007. IQC's success rate on the course is over 95%.

You are welcome to participate if you have knowledge in ISO 13485:2016 and have performed multiple audits. The more experience you have from working with QMS and auditing the better skills you will gain from the course.

- Time:** August 26th to 30th, from 8 to 17 o'clock
- Place:** Jonsreds Herrgård, Gothenburg area
- Examination:** The course is finalized with a written IRCA exam
- Price:** 25 000 SEK (excl. VAT) with 10 % discount for Mediteq Forum Members
- Course details:** Link to [Full Course Description](#)
- Preparation:** Preparation tasks are expected before the course
- Presence:** During the course days you are expected to participate in scheduled training from 8 to 17 and need to be able to do tasks individually or in groups in the evenings.
